

STUDIO M

The health and safety of our customers and employees is our top priority. We have made the decision to close our showroom from Wednesday, March 18 through Tuesday, March 31st. We believe this is the right decision to ensure we are minimizing the risk of COVID-19 exposure to our customers, employees and community.

Designers will be available to work with you by appointment for the next two weeks and will always have the most up to date information about your specific project. Designers will have their office phones forwarded to their cell phones so you will be able to get in touch with them as usual. If you have any questions or concerns about products and projects, we are prepared to assist you via phone, email or Skype.

If we are working together on a project, we want to reassure you we are monitoring the availability and delivery status of your products. Some of our vendors have sent out notices regarding delays. Extended delivery dates and backorders may occur for some the products you have purchased. Our plan is to manage orders and communicate the status to you as often as new information becomes available.

If you need general information, please call us and leave a message on our main showroom line at 763-717-8500. We will be checking for messages several times each day.

We urge you to continue to stay safe and healthy, and for the most part, at home. While our showroom is closed, we will continue to provide updates and inspiration on Instagram at [Studio_M_Interiors](#) or [Mingle_MN](#) and on Facebook at [Mingle Kitchen and Bath Design Studio and Showroom](#).
